SAN RAMON VALLEY HISTORICAL SOCIETY

Organized on September 10, 1970, the purpose of the Historical Society is to locate and identify historical sites and points of interest in the San Ramon Valley and to be a resource for history of the area.

It is the aim of the Historical Society to participate in proper marking and preservation. The marking of historical sites is a continuing project. Interest in preservation is imperative if the artifacts and memorabilia in this valley are to be saved. Interest, identification, and preservation go hand in hand.

MEETINGS

The Society holds five dinner meetings and a summer picnic during the year. The annual meeting with the election of officers and directors is held in January. The dinner meetings are at 7:00 p.m. on the third Thursday of January, March, May, September, and November. The picnic is held in August.
